# The First 12 Hours

## Wetland Spill Response Checklist

- Confirm site hazards
- Determine basic wetland class
- Notify supervisor and report the spill (AER: 1-800-222-6514)
- Arrange for WCSS assets to be mobilized (1-866-541-8888)
- Establish access and low impact containment measures
- Initiate gentle recovery
- Collect field screening information & site photos
- Ensure clear access to the spill location (gate codes, landowners, etc.)
- Handover to the arriving specialist
